### **BOB WOODRUFF**

### Athletic Director and Head Football Coach

Even though this is the year for that lucky number, seven, for George R. (Bob) Woodruff as Athletic Director and Head Coach at the University of Florida, he is a man who learned long ago that it takes more than luck (even though you can always use some) in football.

A graduate of the Neyland School of hard knocking football at Tennessee, Woodruff is therefore a man who firmly believes that good blocking, hard tackling, a punt at the right time and other fundamentals of the game make a wonderful hand-maiden to Lady Luck.

That his players left spring training this year expressing the belief that "we have a good team" indicates the Florida Coach has promoted high morale and a healthy confidence among the Fighting Gators of 1956.

Woodruff has played with and coached some of the best teams in the nation. Out of his associations in football, ranging from bowl teams of Tennessee in the late 30's to his own Gator Bowl champions at Florida, has come a keen enthusiasm for the game and a fondness for its people.

A native Georgian who still has many ties in that state, Bob Woodruff is nevertheless a staunch Floridian who sincerely believes that many coaches in the nation must feel a great envy for his good fortune at being able to live in this state and work at the University of Florida.

### Early Days

Born in Athens, Georgia, on March 14, 1916, Coach Woodruff's family soon moved to Cuthbert in that state, where they lived until he was 16 years old. He played on Cuthbert High's first fooball team, and then on moving to Savannah played three years for Savannah High School.

Those close to Coach Woodruff know him as a person who makes no hasty decisions, thinking things through to a careful conclusion. His teams are well disciplined and his associates are deeply loyal, a trait reflected from the coach himself.

Following his graduation from the University of Tennessee in 1939, when he received an engineering degree, Woodruff joined the Vols staff as assistant coach, a position he held during the 1939 and 1940 seasons.

Entering the Army in 1941, Woodruff rose to the rank of Major before being discharged in 1946. During that period of service, he was an assistant coach in 1944 and 1945 at West Point, helping Coach Earl (Red) Blaik guide the Black Knights of the Hudson to national collegiate gridiron championships.

The following season he was line coach at Georgia Tech, before becoming head coach at Baylor University in the spring of 1947.

### A Head Coach

Never before in his college playing or coaching career had Wood-ruff been associated with anything but a nationally ranked team. When he arrived at Baylor he was confronted with the task—and this on his first head coaching assignment—of lifting a floundering Bear squad up by its bootstraps into a position of prominence in a tough league, the Southwest Conference.

He might have spoken slowly, but he moved fast. The Bears started that first season by claiming four quick victories in a row, including a startling upset over Arkansas. A powerful Texas team broke the string, and Baylor went on to a respectable five-five season. The following season Baylor enjoyed a 6-3-2 record, including a Delta Bowl victory (20-7) over Wake Forest, and then Woodruff really brought the Bears into prominence when he guided them to eight wins and two losses.

At Florida where he became Head Coach and Director of Athletics in 1950, Woodruff found many of the problems which had existed at Baylor. The Gators were an ideal "Homecoming Opponent" for others in the Southeastern Conference. In three seasons the Gators won 17, lost 13 and were victors in the Gator Bowl, defeating Tulsa, 14-13. This was the first Bowl invitation ever received by a Florida team in nearly 50 years of football. The Gators had come of age.

Another high point in Woodruff's coaching days at Florida came in 1954 when the Gators had a record of five wins and two defeats against Southeastern Conference opponents. This gave them a tie for third place in the league, highest ranking achieved by the Gators since formation of the SEC in 1933. Woodruff's record at Florida now stands at 30 victories, 29 defeats, and 2 ties. Coach and Mrs. Woodruff (Margaret) have two sons, Scotty, 12, and Mark, 3.

After three years in the Navy, including service in the Pacific, Hooser became football line coach and head track coach at the University of Arkansas for the seasons of 1946-47-48-49. The Razorbacks were the Southwest Conference title winners and tied LSU in the Cotton Bowl that first season. In 1947 they defeated William and Mary in the Dixie Bowl. ### FLORIDA'S OPPONENTS IN 1956

### **MISSISSIPPI STATE**

September 22—Starkeville—2:00 P.M. (CST)

Nickname: Maroons

Coach: Wade Walker (Oklahoma '50)

Sports Publicity: Bob Hartley Colors: Maroon and White Enrollment: Approx. 4,000 Location: State College, Miss.

The Maroons expect to have more depth in 1956 than in 1955, with the exception of one or two positions. Strong positions are expected to be end, center and fullback. The guards will probably be weaker due to the loss of the top four from last season. Tackles are still a problem but could be on a par with '55. The halfbacks are little and quarterback is uncertain, mainly due to lack of experience.

Coach Walker, in his first year as head man at State, likes all six of his top ends—Ronald Bennett, Levaine Hollingshead, John Benge, Louis Brown, Jimmy Vincent and Ned Brooks. Other men to watch are center Jimmy Dodd, Guard Billy Fulton, Don Conkel and Gil Hastings at tackles, and the promising signal caller, sophomore Billy Stacy. Halfbacks to note are William Earl Morgan and Bubber Trammel, left, and Jim Tait and Walter Peterson, right. Fullback depth is provided by Molly Halbert and Gordon Myrick.

Nickname: Tigers

Coach: Frank Howard

Sports Publicity: Bob Bradley Colors: Purple and Orange

Enrollment: 3,350 Location: Clemson, S. C.

A scrapping Tiger eleven is expected to base its attack around the captain and alternate captain of the team, Charlie Bussey, quarterback, and Joel Wells, left halfback. Jim Coleman, right half, and Bob Spooner, fullback, round out the starting backfield.

Anchoring the forward wall are Dick Marazza, 6-4, 225 pound tackle, Center Dick DeSimone, and Guard John Grdijan. Coach Howard, at pre-season, expressed the belief that Clemson would be helped by several sophomores, who in the spring "came through a little better than we had anticipated."

### KENTUCKY

### October 6—Gainesville—2:30 P.M. (EST)

Nickname: Wildcats

Coach: Blanton Collier (Georgetown '27)

Sports Publicity: Ken Kuhn Colors: Blue and White

Enrollment: 7,500 Location: Lexington, Ky.

Personnel-wise, the 1956 edition of the Kentucky Wildcats stacks up well despite losses of several key men, such as All-Conference quarterback Bob Hardy and All-American Halfback Howie Schnellenberger. The standouts returning are beefy Tackle Lou Michaels, member of the All-Conference sophomore team, an ace linebackercenter, Co-Captain Dave Kuhn, battering-ram Fullback Bob Dougherty, and veteran Guard Duke Curnutte.

Pre-season speculation has it that no sophomore appears to stand a good chance to break into the select circle of starters, before the opening game, but by the time the Wildcats get to their game with the Gators several top second-year men might have made the grade. These include Cliff Tribble, fullback, Doug Shively, an end, Bobby Cravens, halfback, and Bob Lindon, a tackle.

### October 13—Gainesville—2:30 P.M. (EST)

Nickname: Owls Coach: Jess Neely

Sports Publicity: Bill Whitmore

Colors: Blue and Gray Enrollment: 1,600

Location: Houston, Texas

Planning on an improved season in 1956, the Owls base their hopes on a better backfield speed and an improved passing game. The Owls have 19 lettermen returning, including 12 seniors, but despite this healthy number of experienced players sophomores still figure in their program this year.

The Owls operate from a standing T, with King Hill the number one quarterback. Among the speedy backs are left halves Virgil Mutschink and Lanny Fife, and right halves Paul Zipperlen, Ken Williams, and Bryant Stone, all veterans. Fullback is bolstered by two senior lettermen, Jerry Hall and Jack Throckmorton. Coach Neely at pre-season felt his biggest need was improved line play from tackle to tackle. Senior Center Don Gillis and Junior Tackle Larry Whitmire are proven first-string returnees.

Nickname: Commodores

Coach: Art Guepe (Marquette '37) Sports Publicity: Elmore Hudgins

Colors: Gold and Black

Enrollment: 3,087

Location: Nashville, Tennessee

The Commodores, surprise team of the 1955 season, ride into the new year on a wave of enthusiasm. Art Guepe, 1955's Coach of the Year in the SEC, is optimistic. His comment following spring practice was: "The freshmen responded splendidly, and the reserves from the '55 team showed steady improvement. I believe we'll have, potentially, a strong squad for our September practice."

Vandy's '56 team begins at quarterback, where Don Orr, brightest of all the stars in last season's bowl game, operates. Halfback star could be Phil King, transferred from fullback, where he was a standout as a sophomore last season. Top sophomore prospects are Danny McCall and Jeff Davis. Fullback will be in the hands of returning Marine veteran Jimmy Ray, a letterman Commodore of the '51-'52 seasons. Line standouts returning are Art Demmas, tackle, Ends Henry Tyler and Bob Laws.

Nickname: Tigers

Coach: Paul F. Dietzel (Miami of Ohio '48)

Sports Publicity: Carl (Ace) Higgins

Colors: Purple and Gold Enrollment: Approx. 9,000

Location: Baton Rouge, Louisiana

Louisiana State, under new coach Paul Dietzel, established themselves as a team to be seriously considered in future campaigns. The Tigers played with determination, a trait that is expected to carry over into the 1956 season.

Tigers who loomed as big guns for the current campaign are giant-sized Earl Leggett, 265 pound tackle, who is said to have the agility of a halfback, Paul Ziegler, a guard, Billy Smith, an end, and M. C. Reynolds, quarterback. Reynolds is called "a sling-shot junior who may give LSU its most feared passing attack since the departure of Y. A. Tittle." He ranked fourth among SEC passers last season.

Coach: Wallace Butts (Mercer '28) Sports Publicity: Dan Magill, Jr.

Colors: Red and Black Enrollment: 5,000 Location: Athens, Ga.

The Bulldogs expect to field their strongest all-around squad since their last championship team of 1948. Regulars return at five line positions: Roy Wilkins, All-SEC third team last year, and Alt. Captain Laneair (Red) Roberts, at ends; John Luck and Pud Mosteller, at tackles; Jimmy Brown, at center.

Both regular halfbacks return—Jefferson Davis and Jimmy Orr, plus second string fullback, Captain-elect Knox Culpepper. Orr was the SEC's leading pass receiver as a sophomore. Brightest spot in Georgia's spring practice was in the backfield, where products of the 1955 Georgia freshman team caused Coach Butts to say he had the most promising group of young backs since Frankie Sinkwich and Charley Trippi.

The Georgia Tech Yellow Jackets, against whom the Fighting Gators have made some of their best showings in recent years, are again expected to be one of the top-notch teams in the Southeastern Conference. The Jackets lost only 3 of their first 22 players from the 1955 squad which compiled an 8-1-1 regular season mark, then defeated Pittsburgh, 7-0, in the Sugar Bowl. This was Tech's fifth bowl game win in five years and the Engineers have never lost in seven post-season starts under Coach Bobby Dodd.

### THE GATOR BAND

The University of Florida "Gator Band" is deemed one of the finest in America today. Its gridiron spectacles are an essential part of Gatorland football festivities, and its year-round musical activities are an important part of University community life.

Harold B. Bachman is the distinguished Director of the University of Florida Bands, including the 145 members of the Gator gridiron aggregation, and the five other band organizations which serve the

University and the state.

Reid Poole, Assistant Director of Bands, plans and produces the football shows, and writes the special musical arrangements featured

by the Band.

Claude Allen of Gainesville is the Head Drum Major who directs the Band on the field. Beverly Stalnaker is Head Majorette and featured baton twirler. Band personnel includes 104 men in the marching square of the Band, a baton twirling squad of 15, the Big Bass Drum crew of 3, and some 20 additional musicians who play in the stands and on occasion act as flag bearers, alternates, property men, etc. Delbert Sterrett is the announcer for the Band.

The Gator Band spends four 80-minute sessions each week in musical rehearsals and outdoor drills getting ready for the Saturday

football shows.

Band members do not receive scholarships or other financial inducements. Representing every department of the University, the band membership is a true cross section of the student body.

Gator band field productions are primarily based on a solid musical foundation with good music as the guiding principle. Each halftime show usually includes one or more musical presentations featuring distinctive arrangements played while the band maneuvers into appropriate formations or tableaux. A distinctive characteristic is that many of the feature numbers are performed "in the round" so that the view and sound will be the same from both sides of the stadium.

This year the Gator Band has been outfitted with completely new uniforms. The basic uniform is two-toned blue trimmed in orange. Coats are of royal blue, trousers in a complementary French blue. The overall orange trim is high-lighted by an orange satin cape and topped off by the orange plume on the cap. The Drum Majors and the Baton Twirling Squad are dressed in white trimmed in orange and blue.

The Gator Band giant exhibition bass drum is one of the largest drums in the country. At the time it was made, a writer for the Chicago Sun-Times quoted its manufacturer as saying that it is "The World's Largest bass drum that will boom properly." The drum was especially made for the "Gator Band" by the WFL Drum Company of Chicago. The drum is 6 feet in diameter and 25½ inches in width. On its specially constructed carriage, it stands nearly 9 feet high. Two bandsmen are used to maneuver the drum carriage and the player, using extra length drum sticks, marches along side.

### FERGIE FERGUSON AWARD

The Forest K. (Fergie) Ferguson Award is given in memory of one of Florida's finest athletes, one of the great all-time ends to wear the uniform of the Fighting Gators. The Award is made annually in the form of a beautiful trophy, which remains in the permanent possession of the University of Florida, and is given to the football player selected as the Gators' most valuable senior each year. The winning player is announced at the annual spring banquet, and he is then invited to return to the campus to receive the award at the following Homecoming.

Winner of the 1955 award, to be made Nov. 3 at halftime of the Auburn game in 1956, was Center Steve DeLaTorre, Florida's All-American center. The first award was made last year to Malcolm Hammack, outstanding fullback for the '54 Gators.

Idea for the Award was conceived by John Piombo, teammate and friend of Ferguson, and Dick Stratton, former Florida athlete and admirer of Ferguson. These two Jacksonville residents donated the original Ferguson trophy, which is displayed at all times in the Division of Intercollegiate Athletics trophy case.

### About Fergie Ferguson

Fergie came to Florida in the fall of 1938 after having been a star end for the Stuart (Fla.) High School. He became a starting end for the Gators as a sophomore, and from that time wrote several records into the books. He caught 43 passes in the 1939-40-41 seasons, a career record that stands today. His record for the most yards gained on passes caught—668 for 3 seasons—still stands, and a record for the longest TD pass caught, 74 yards against Miami in 1941 remained on the books until 1954. Fergie was also a track and boxing star, and his javelin throw of 203 feet, 6½ inches, which won him a National AAU championship in 1942, is still the best throw ever made by a Florida athlete.

Fergie became a second lieutenant in the U. S. Army, and was severely wounded in the Normandy landing of 1944. He so distinguished himself that he was awarded the nation's second highest medal for gallantry in action. He died of war wounds ten years after the landing.

### FLORIDA FIELD PRESS BOX

We firmly believe that if you have elected to cover the Gator games at Florida Field this year you will enjoy some of the finest press box facilities in the country. It was indeed a great pleasure to us when we were notified that the Football Writers Association of America had awarded the University of Florida with its Press Box Merit Award, recognizing its outstanding press box working facilities.

The diagrams on the opposite page afford a quick picture of just what's there. Four decks, starting at the bottom and going to the top (by elevator) (1) Photo Darkroom and Western Union, (2) Radio and Photographers, (3) Press and (4) Photo. Here they are in detail:

PRESS DECK: There are 48 seats on the front row and 47 on the back row. Each reporter has 34 inches of desk space and an adjustable, swivel chair that is bolted to the floor. Every seat has perfect vision—there are no uprights between any seat and the field and people walking along the front row are below the vision of folks on the back row. There are no windows on the press deck. A public address system operated exclusively for the press box gives all official information, including statistics on individual plays. There is a snack counter at one end of the press deck and ample toilet facilities at the other.

RADIO DECK: There are five ample-sized, acoustically tiled radio booths with glass windows that may be opened or closed, depending upon the desire of each announcer. The front row of each radio booth will seat four people very comfortably and five in a slight pinch. The back row seats three and is adapted for engineering equipment. Each radio booth may receive the press box PA announcements via headphones. There are two other booths, one for visiting coaches and one for the stadium public address system. Flanking the radio booths are large open-front decks for use by still, movie or television photographers. There are toilet facilities on the radio deck.

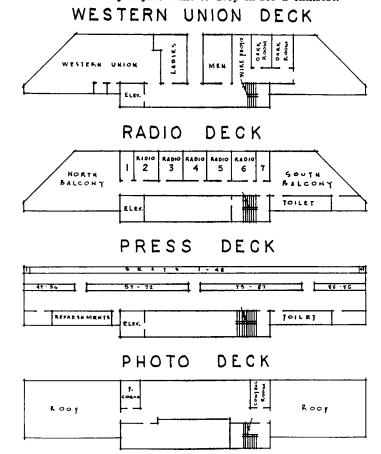

PHOTOGRAPHY DECK: This is a large open-front area at the very top of the press box. It has ample table space both in front of the cameraman and behind him. This deck also includes the Florida coaches booth and the stadium manager's booth.

WESTERN UNION and PHOTO DARKROOM DECK: This is the first floor of the press box and the first elevator stop coming up from ground level. The entire Western Union operation is carried out in a large room that provides every needed facility for transmitting copy. Messages are sent by pneumatic chute from the press deck to the Western Union room. This, of course, eliminates the necessity of having bulky and noisy page printers in the actual working press section. (When you have a message ready for sending, you merely hold it over your head, vell "Copy Boy" and one swoops down on it.)

This deck also includes newly added photographic darkrooms for photographers who wish to process film at the stadium and telephoto room from which they may send pictures to the papers. While the places to do this work are a part of the press box, we are unable to furnish such equipment as enlargers, wire-photo sending sets, etc. Portable units must be brought by the cameramen.

We feel certain that you will thoroughly enjoy any assignment you have in Florida Field Press Box and sincerely hope that you will take every possible occasion to visit us when the Gators are playing

at home—and when you just want to drop in for a chinfest.

### PHOTOGRAPHY ACCOMMODATIONS

Both in Gainesville and in Jacksonville, properly assigned photographers may work from either the sidelines or from the press box, or both. However, photographers working at either of these two places must be covering the game on assignment for the next day's paper. (This means it is impossible for us to extend photographic privileges to free lancers or the weekly press, because of over-crowded conditions.)

Because of the increased demands of the daily press, our Gainesville facilities are being expanded this year, and we plan to have available for you five new individual dark rooms.

### ON THE DAY OF THE GAME

When you arrive in Gainesville on the day of the game, you are invited to drop by the Sports Publicity Office, located in the southwest section of the new Florida Field Stadium Addition. We have typewriters, telephones, paper and other facilities. In using your press box ticket (for all decks, including movie) you will enter the elevator entrance, near the main gate on the west side of the Stadium. Enter the glass doors, show the attendant your press pass, and the elevator operator will escort you to the proper press deck PLEASE WEAR YOUR PRESS BOX TICKET IN SIGHT (IT HAS A BUILT-IN BUTTON HOLE).

### ABOUT RADIO BROADCASTS

Out of state stations must notify the Athletic Association of the visiting team (Clemson, Kentucky, Rice, Auburn, Georgia, Georgia Tech, and Miami), and having done so must then advise Major Garland Powell, Radio Station WRUF, Gainesville, Florida, and Jimmy Gay, Sports Publicity Department, University of Florida, Gainesville, of their intention to broadcast.

For stations originating broadcasts at the Stadium, the Florida Sports Publicity Department will provide: (1) The broadcasting booth (or space, when booths are filled); (2) Three official game programs; (3) Official game statistics within a few minutes of the end of the half and again within a few minutes of the end of the game; (4) arrangements for the broadcasting telephone line from the Stadium to the University switchboard (you must arrange with the telephone company from the University switchboard on), and (5) a Florida spotter, provided you request one two weeks prior to the game and with the understanding that the station will pay the spotter \$10.00.

Spotters of the visiting team must be arranged through that team. Inquire through Major Garland Powell and Jimmy Gay about other facilities.

### FLORIDA HOMECOMING

All year long the people of Florida talk about Homecoming at the University of Florida. Homecoming means two days of continuous activity, highlighed by the double-feature attractions—Friday night's Gator Growl and the Saturday afternoon football game. Both draw capacity crowds of 40,000.

The game this year is with a fellow member of the Southeastern Conference, Tennessee, on Nov. 12.

Among other outstanding events are a parade of giant proportions, banquets, swim shows, alumni reunions, fraternity and sorority doings, and a Legislative Barbecue.

Back in 1906 the students decided to stage a "Dad's Day." Homecoming was the natural outgrowth of "Dad's Day" and in late years it has

become almost traditional for each one to surpass the last one.

Gator Growl, an all-student variety extravaganza that draws a packed house to Florida Field Stadium on the eve of the football game, came into the picture back in 1924. About 7,000 Dads and Grads gathered in the old gymnasium the night before the game to drum up the necessary enthusiasm to help the Gators defeat Drake University the next day, 10 to 0.

From that spontaneous gathering in 1924 has grown what is very likely the largest, most colorful and noisiest pep rally on the college sports scene today. A student committee of Florida Blue Key works a year ahead to set the theme. Fraternities and sororities plan their parts months in advance and spend months preparing interior and exterior house decorations, parade floats and skits for Gator Growl. No admission is charged for Gator Growl or other sidelights.

Almost everyone who comes to a Florida Homecoming finds himself torn between more desires than a kid at Coney Island. There is something going on every minute and all too often, for the visitors, colorful events overlap to make the choices more than a little difficult.

Sports editors and writers assigned to cover the Florida-Auburn football game on November 3 will be primarily interested in the football game, but those who want to be in on the unforgettable side-show attraction will be one of that huge, happy, fun-loving crowd of folks at Florida Field Stadium Friday night for Gator Growl, a brilliant evening's entertainment in anybody's book.

### "GATORS"

(From THE FLORIDA TIMES-UNION (Jacksonville), Thursday, August 19, 1948.)

### "MILLER RECALLS CHRISTENING

OF UF TEAMS AS 'ALLIGATORS'

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University at Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator."
